

COMPARISON OF LAWS RESTRICTING DISPLAY AND SALE OF PSEUDOEPHEDRINE (PSE)

August 2005

• **Effective May 21, 2005**

- All PSE products except those sold in small convenience packages must be kept behind pharmacy counters
- Customers must show ID and sign log, and no customer may purchase more than 7500 milligrams in a 30-day period

• **Effective October 1, 2005**

- All PSE products except liquids and liquid-filled gel caps must be kept behind pharmacy counters
- Customers must show ID and sign log, and no customer may purchase more than 7500 milligrams in a 30-day period

• **Effective July 1, 2005**

- All PSE products except those sold in small convenience packages must be displayed:
 - Behind or directly in front of pharmacy counters (in stores with pharmacies) or
 - Behind store counters or in locked cases (in stores without pharmacies and stores with pharmacies that are closed)
- Customers must show ID and sign log, and no customer may purchase more than 3000 milligrams in a one-week period
